MOTION FOR EXTENSION OF TIME

James A. Kay, Jr. ("Kay"), by his attorneys, respectfully moves for a brief extension of the briefing schedule in the above-captioned proceeding, in support whereof the following is respectfully shown:

Under the current briefing schedule, proposed finding of fact and conclusions of law are due on April 16, 1999, and reply findings and conclusions are due on May 7, 1999. *See* ORDER (FCC 99M-14; issued March 1, 1999). By this motion, Kay respectfully seeks to extend the time for proposed findings of fact and conclusions of law by five business days to Monday, April 26, 1999.¹ It is also asked that the date for submission of reply findings and conclusions be correspondingly extended to Monday, May 17, 1999.

Mr. Keller, Kay counsel with primary responsibility for drafting the proposed findings and conclusions on behalf of Kay, recently underwent two emergency root canal procedures in the past three weeks. The pain surrounding the infections leading up to these procedures, the time involved in the procedures themselves, and the medication and recuperation from them has resulted in Mr. Keller being unavailable during long periods of time that had been previously

budgeted to work on the briefing of this case. The requested extension will provide a partial remedy to this problem.

No party will be prejudiced by a brief one week extension of time. Counsel for the Wireless Telecommunications Bureau has graciously indicated that the Bureau will not oppose this extension request.

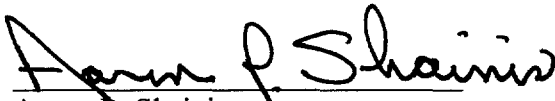

WHEREFORE, good cause having been shown, it is respectfully requested that the date for submission of proposed findings of fact and conclusions of law in this proceeding be extended from April 16, 1999, to April 26, 1999; and that the date for submission of reply findings and conclusions be extended from May 7, 1999, to May 17, 1999.

Respectfully submitted this 9th day of April, 1999

JAMES A. KAY, JR.
